Posted Jul 1, 2021

All B.Sc. II year students are hereby informed that (CA- 20 marks and UA- 80 marks = total 100 marks ) practical examination are going to be online.

For this you need to write five experiments from paper organic, inorganic and physical and attach it to Google classroom before on 05/07/2021.

Write the following experiments

- 1) Any one physical experiment given the following chemical kinetics / conductometry.
- 2) Write two experiments from Inorganic chemistry. Any one from gravimetric analysis and any one from Inorganic preparation or titrimetric analysis.
- 3) Write two experiments from organic chemistry.

Write any one organic spotting and any one organic preparation or organic estimation.

Written material required for this practical exam was attached here.

Dear Sir,

The department of chemistry from our college wants to organize a  
online guest lecture on “ **Frontier Research Areas in Basic Sciences**” on 2<sup>nd</sup>  
March 2021. We would like to hear your ideas on the given topic. The major  
aim of guest lecture is to motivate and inculcate the interest of research in  
sciences in degree students.

It's kindly request to accept the invitation.

Thanking you.

Date : 03/03/2021

Department of Chemistry and IQAC K. N. Bhise Arts, Commerce and Vinayakrao Patil Science College, Vidyanagar, Bhosare was organized online guest lecture on Frontier Research Areas in Basic Sciences by Dr. Prakash A. Bansode , Associate Professor, Department of Chemistry , Sangola College, Sangola on 02<sup>nd</sup> march 2021 at 11.00 am, through Google meet link. The lecture was held on occasion of science day.

The Chairperson of this program was Vice-Principal Dr. P. S. Kamble. Mr. M. M. Patil introduced the programme. Resorce person Dr. Prakash Bansode is eminent professor of chemistry presently working in Sangola college, Sangola. He has completed his Ph. D in university of Kolhapur. He has published their research paper in national and international journals. He achieved so many awards during research work. His research work is on antibreast cancer agents.

He guided the students in his lecture. He informed the students about his research. He said in his speech that students in rural areas should not any shortcomings. In his motivational speech he encouraged students to follow their self-confidence to find out owns brain power, English language Communication. He inspired the students by giving them motivational quotes in his speech. He expressed its own research work that how it completed by using fellowship. He gave information about different fellowships of higher education and research work. He inspired them by motivational speech, and value of science in research.

He had shown that how his research is useful for human beings, In this programme all B. Sc.-I, II, III students and all Science and some Arts faculty teachrs were present. Ms. V. S. Shinde has expressed gratitude towards Dr. Bansode Sir for giving fruitful guidance to the students.
