Topic : Time - Management
Speaker : Prof. Goyal A.M.
Participants : 23 Students of B.Sc I

Soft Skill are the combinations of People skills, Social Skills, Communication skills, character or personality traits, attitude, carrier attributes, social intelligence and emotional intelligence quotients that enable people to navigate and survive the various environments they have to face while living a student life, a social life, while they are on job or at home.

The topic identified for this session of soft skill Lecture Under Capacity Enhancement Programme was 'Time - Management'. Everybody has same time in a day but some of them kill time, while other utilize it for self development. Students have to do so many task today to be in the race. So it is the need of the day that students should acquire a good time - management skills. So this subject was discussed with the students

It was a good and interesting learning experience for students.
