Our Strength

- More than physical work, we aim at the personality development of the students.
- A good number of Ready to Work volunteers on call.
- We are able to create a group of young men socially active.
- We help the poor and needy especially in time of blood requirements.
- Inter department friendship of students fostered.
- Volunteers get more exposure through Inter- Collegiate, State level and National level camps.

Ministry of Youth
Affairs & Sports

Government of India

However....

- We are not able to bring all the enrolled volunteers to all the programmes and get Certificates to all.
- The allotted fund for NSS activity is not sufficient.

Ministry of Youth

Road Map

- Help maximum students achieve all the objectives of NSS.
- Make KNBAC NSS the Best in all.
- Organize a State/National Level Camp.
- Form 'life clubs' along important roads to help the victims of road accidents.
